The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose a light source device for generating extreme ultraviolet light by irradiating a target with a laser beam, which includes a laser unit having an oscillation stage for generating a laser beam in both a lower-order transverse mode and a single mode and at least one amplification stage for amplifying the laser beam generated by the oscillation stage as recited in claims 1 and 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
